Tomita Mission: _____

President and Chief Operating Officer

Minoru Tomita

- 1 Tomita is solely dedicated to provide high quality products, valuable information and service to meet our customers' needs worldwide.
We will continue to add value by providing our goods with competitive costs and proper lead time.**
- 2 Tomita will continue to make reasonable profits in order to make tax payments, pay out appropriate employee and shareholder benefits, and make provisions for the future.**

Our Advantage:

Tomita Co.,Ltd. began operation in 1911. We have more than a century of experience in distributing state-of-the-art tools and industrial machinery. We provide in-depth technical knowledge and support for our Japanese and global manufacturing customers.

Tomita has been listed on the JASDAQ (#8147) stock exchange since 1985. This has strengthened our good reputation among our customers, suppliers and other stakeholders.

We Provide the Following Products and Services:

1. MRO (Maintenance, Repair and Factory Operation) Products

We offer both made-in-Japan and local MRO products to our local customers. In an effort to reduce lead-times and transportation costs, we keep various stock items on our shelves and provide consolidated international air cargo shipments to our worldwide offices twice per week.

2. Machine Tools, Machinery, Turnkey Business, and Compliance with Local Safety Standards

We sell industrial equipment, offer installation, final inspection and maintenance services. We are able to add automatic loaders, unloaders and automatic inspection systems on standard machinery. We are able to modify existing lines and design systems with in-house or local engineering companies and machine builders.

We arrange the service of safety standard compliance of machinery, such as Canadian Electrical Standard, CE Marking, etc.
